* - CTI PLC may be marked on individual boards

DS - Double-Sided

Note - A triangle is marked on those products within a given type designation that comply with direct support of current-carrying parts performance level requirements of UL 796. "All" is used to indicate that all base materials under that type designation comply with direct support of current-carrying parts performance level requirement of UL796.

Marking: Company name or tradename "E325150" or trademark **2CI** or file number and type designation. May be followed by a suffix to denote factory identification or burning test classification.
